ASSUMPTION OF RISK and HOLD HARMLESS AGREEMENT

As a condition of my membership in the HIDDEN VALLEY SKI TEAM, I acknowledge and agree that:

(a) Alpine skiing, including dryland and on snow training and ski racing, is a hazardous action sport that has many dangers and risks of personal injury, death or property damage and that injuries are common and ordinary occurrences of this sport. I am aware that there are natural, mechanical and environmental risks that independently, or in combination with my activities, may cause property damage or severe or even fatal injuries to myself or others.

I also understand that the use of helmets and goggles with appropriate lenses for day and night skiing are mandatory for gate training, and that I will not be allowed to train in gates without a full race helmet (no soft ear covering).

(c) Being aware of the risks associated with competitive ski training and competition, I release, hold harmless and indemnify the HIDDEN VALLEY SKI TEAM and its representatives including, but not limited to, its coaches, directors, officers, members, parents and guardians of members, employees, agents, volunteers and steering committee members from any and all liability for personal injury or property damage which may occur to me during or resulting from my participation in HIDDEN VALLEY SKI TEAM activities.
